MTCC received notification that our funding requests for approximately 100 AmeriCorps and VISTA members were approved this month! We are excited to work both with Montana's Corporation for National and Community Service office and the Governor's Office for Community Service to leverage these important dollars for Montana communities! MTCC AmeriCorps and VISTA members serve in partnerships with Compact affiliate campuses and their nonprofit and government partners. VISTA members address poverty needs and provide indirect, capacity building services, and AmeriCorps members support college access and success initiatives and provide direct service.

The Western Region Campus Compact Continuums of Service conference's call for proposals is live! The conference will be March 6-8, 2019 in San Diego, CA. Please help promote the call for proposals on your campuses and among your colleagues. And do consider putting in a proposal yourself! You can find the call via this link. Proposals are due no later than September 14, 2018.

Montana Campus Compact AmeriCorps and VISTA members gathered in early June at Camp Paxson, in Seeley Lake. These members worked on post-service skills like resume writing, job seeking and interviewing, usage of the AmeriCorps Education Award, and how to write an impact report. The three-day event culminated in service projects at Seeley Lake School and Airport, organized by the Seeley Lake Community Foundation.

Last Chance! Help Campus Compact Track Student Engagement Locally and Statewide

Campus Compact offers the online [Student Engagement Survey](#), a statewide tool to help gather data about student volunteerism, service learning, and other community engagement activities. Please send the link to individual students, student groups, faculty who teach service learning courses, community partners who work with student volunteers and anyone else who may have information about student engagement activities from fall semester 2017 or spring semester 2018.
