Living Allowance: The living allowance is designed to help the MTCC member meet necessary living expenses incurred while participating in the Program. The living allowance is not considered to be, or tied to, an hourly wage and should not fluctuate based on the hours served in a given time period. MTCC members may not fundraise for their living allowance.

Bi-Weekly Pay: The MTCC member will receive a bi-weekly living allowance based upon the pay schedule of the University of Montana. Member can sign up for direct deposit through the required form, included in the HR paperwork. If direct deposit is not selected, the allowance check will be mailed out to the mailing address within the hiring paperwork.

Deductions: The Members' living allowance is subject to deductions for: federal income tax, state tax (if applicable), medical aid (Workers' Compensation), OASI (Social Security), and Medicare. Withholding deductions will vary according to the number of deductions claimed on the W-4.

Workers' Compensation: Members are covered by Department of Labor and Industries Workers' Compensation for service-related accidents. Coverage provides compensation for illness or injury if it is caused or aggravated by the performance of the MTCC member's authorized duties. Workers' Compensation does not provide coverage if the injury or illness is caused or aggravated by the MTCC member's own misconduct, voluntary intoxication, or willful intent to bring about injury or death to themselves or others. This coverage will pay benefits to the MTCC member in case of injury while performing the usual and customary duties of their service assignment. Accidents should be reported to the Site Supervisor immediately.

Health Insurance: Full-time MTCC members who are not otherwise covered by a healthcare policy at the time each begins their term of service is eligible to receive healthcare insurance. Family Members are not eligible for coverage through the insurance policy and COBRA guidelines are not applicable for MTCC member's since they are not considered employees of their Host Sites, Program Administrating Agency, Fiscal Agent or the federal government. Hours spent at a job will not constitute an excused absence from required site-specific responsibilities or trainings. MTCC members can work no more than 16 hours per week extra, must be on evenings and weekends with approval of their site supervisor, and is not detrimental to the quality of their AmeriCorps service.

Education Award: Upon successful completion of the MTCC member's term of service, the MTCC member will receive an education award from the National Service Trust. Full-time (1700 hour) MTCC members will receive a [\\$5,920 education award](#). Education awards can be used to repay qualified student loans, to pay the cost of attending qualified institutions of higher education (including certain vocational programs), or for members 55 and older at the commencement of their term of service, they may transfer their education award to a child, grandchild, or foster child in accordance with the guidelines of CNCS. Please review the Educational Award Tutorial on the MTCC program website for how to use your educational award. The education award is valid for seven years after the date the MTCC member completed the Program. The education award is taxable at the time it is used. In addition:

- A. If the MTCC member has not yet received a high school diploma or its equivalent (including an alternative diploma or certificate for individuals with learning disabilities), the MTCC member agrees to obtain a high school diploma or its equivalent before using the education award.

Loan Forbearance: MTCC member are eligible to have the repayment of certain qualified student loans deferred while they serve in AmeriCorps. The postponement, called [forbearance](#), is not automatic. During a period of forbearance, MTCC members do not have to make payments on qualified loans, although interest continues to accrue. MTCC members must request forbearance from their loan holder through their My AmeriCorps online account. Members must register for their online account at the beginning of their term of service. The National Service Trust does not grant forbearance; the loan holders do. The Trust merely verifies Membership in AmeriCorps and forwards the documents to the loan holder. Student loans that are in default may not be eligible for forbearance.

Payment of Interest on Qualified Student Loans: Upon successful completion of a term of service, the National Service Trust will pay, on behalf of the borrower (MTCC member), all or a portion of the interest that accrued on a qualified student loan during the Member's term of service. A qualified student loan is: 1) any loan, made, insured or guaranteed pursuant to Title IV of the Higher Education Act of 1963, as amended, other than a loan to a parent of a student pursuant to section 428B of such Act; 2) any loan made pursuant to Titles VII or VIII of the Public Health Service Act; and 3) any loan determined by a Title IV institution of higher education to be necessary to cover a student's cost of attendance at such an institution and made directly to a student by a state agency. The loan must have been in forbearance, deferment or a grace period during this period. Payment will only be made to the loan holder. The payment, like payments from the MTCC member's education award, is considered taxable income in the year the payment is made.

If the MTCC member obtains loan forbearance at the beginning of their term of service, they must submit an Interest Accrual Form to their loan holder up to 30 days before their term of service ends. This is done through

the My AmeriCorps online account. The loan holder will complete the applicable portion of the form, compute the total accrued interest, and send in to the Trust for payment. The Trust will only pay interest if the Member successfully completes their term of service and receives an education award. This amount is in addition to the education award and is taxable.

G. Member Development

Core Training: All MTCC members of the Program will receive training in core program components and on AmeriCorps/Program policies and procedures at an Orientation usually scheduled at the end of August or beginning of September.

Trainings: The Program provides up to six trainings during the program year, some of the training may be online or through webinar. The trainings are Pre-Service Orientation, Building Engaged Citizens, Community Building Institute, AmeriCorps Symposium, MTCC All Member Retreat, and Close of Service. The trainings may require overnight travel. Full attendance and participation is mandatory.

Position Description: MTCC members will receive a Position Description for their service experience from his or her Site Supervisor. At a minimum, the Position Description includes the typical hours of service, location of service, name and phone number for the on-site supervisor, and a description of the MTCC member's service activities. Because of the diversity of the Program at the different Host Sites, the position descriptions are not included as part of the MTCC member Contract but are incorporated by reference.

Service Logs and reporting requirements: MTCC Members will complete service logs in the Program online time clock system weekly. Members are required to submit a copy of time to the Program, complete with both your signature and your supervisor's signatures, in accordance with the dates indicated on the MTCC payroll calendar. The project will maintain records of your hours, and will provide your total hours and breakdown of hours to you when you are paid your living allowance every two weeks. If at any point during your service the average number of hours needed to complete your term per week exceeds 40, you and your site supervisor will be required to submit a plan of action to the Program Manager. The plan should detail how you are going to complete your service hours. The plan must be approved by the Program Manager.

In addition to service logs, members are responsible for submitting monthly progress reports and mid-term and exit evaluations to the Program in accordance with the Program schedule.

Performance Evaluations: MTCC members and Site Supervisors will complete two evaluations during the term of service. At a minimum, evaluations are due mid-term and end-of-term. The Site Supervisors and the MTCC member will reflect on the MTCC member's progress and skill development and determine if they are on track to complete the required service hours and responsibilities. Corrective action issues will be dealt with in a timely manner and are not necessarily linked to the evaluation schedule.

Beneficiary Pre and Post Surveys: MTCC members and Site Supervisors will conduct pre and post surveys with beneficiaries over the program year. The MTCC member and Site Supervisor can deem it appropriate to conduct more than one survey each program year, depending on program requirements (i.e., start dates, end dates). Parental surveys will be provided and should be conducted as appropriate to gauge parental understanding of programming. When serving with high school seniors, programs are asked to gather contact information for each senior asking permission to allow MTCC to send a college going survey in October after their high school graduation date.

M. Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through <http://www.nationalservice.gov/>.

This program is available to all, without regard to race, color, national origin, disability, age, sex, political affiliation, sexual orientation or, in most instances, religion. It is also unlawful to retaliate against any person who, or organization that, files a complaint about such discrimination. In addition to filing a complaint with local and state agencies that are responsible for resolving discrimination complaints, you may bring a complaint to the attention of the Corporation for National and Community Service. N. Release from Term of Service/Suspension

Reasons for Release from Term of Service

The Member understands that he/she may be released for the following two reasons:

1. For "compelling personal circumstances" (as explained below)
2. For "cause" (as explained below)

Release from Term of Service due to "Compelling Personal Circumstance":

The Member has the primary responsibility for demonstrating that compelling personal circumstances prevent them from completing the term of service. The Member must submit a written or email request for termination for compelling personal circumstances the MTCC AmeriCorps Program Manager or designee. A Member who leaves the Program without obtaining a release for compelling personal circumstances is considered released for cause. The Program Administrating Agency is responsible for determining whether a Member's personal circumstances are sufficiently compelling to justify issuance of an education award. The Member understands that, as a result of this action, they may only receive a portion of the education award for the actual time served. In order to be eligible for a portion of the education award, the Member must have served a minimum of 15% of the term of service.

“Compelling personal circumstances” include those that are beyond the Member’s control, such as, but not limited to:

- a Member’s disability or serious illness that make completing the term impossible;
- disability, serious illness, or death of a Member’s family Member if this makes completing the term unreasonably difficult or impossible;
- military service obligations; or
- conditions attributable to the Program or otherwise unforeseeable and beyond the Member’s control, such as relocation of a spouse, natural disaster, a strike, or the nonrenewal or premature closing of the project.

Compelling personal circumstances do not include leaving the Program:

- to enroll in school;
- to obtain employment; or
- because of dissatisfaction with the Program.

If the Member discontinues his/her term of service due to compelling personal circumstances, the Member will cease to receive benefits described in this contract. If the Member discontinues do to acceptable compelling personal circumstances and has served more than 15% of the service hours, s/he may be eligible to receive a partial education award.

Release from Term of Service due to “Cause”:

A release for cause encompasses circumstances other than personal and compelling circumstances that warrant a Member’s release prior to completing the term of service. Members can be released from the Program for violating Standards of Conduct including violating Program policies and procedures. A Member is also considered released for “cause” if the Member has dropped out of the program without obtaining a release for compelling personal circumstances from the appropriate program official.

If the Member is released for cause from his/her term of service, the Member will cease to receive benefits described in this contract and will not be eligible to receive a full or partial education award.

Suspension to Investigate Situations that may Result in Release for Cause:

For serious allegations that may require the Site Supervisor and Program staff to conduct an investigation before determining if the Member should be released for cause, the Member may be suspended for up to 30 days. The Site Supervisor must consult with the Program Administrating Agency before suspending the Member. During the suspension period, the Member's living allowance will be suspended but shall accrue and health insurance will continue. Child care benefits will be discontinued. Should the Member be reinstated with full rights, the living allowance that accrued during the suspension will be paid to the Member during the next scheduled pay period. If the final determination is that the Member should be released for cause, the Member will not receive the accrued living allowance or any portion of an education award based on the time served in the Program. If the Member has obtained loan forbearance, the CNCS will not pay any accrued interest, and the Member may be disqualified from future AmeriCorps service.

O. Service Expectations and Leave Situations:

Approved Absence: Leaders are expected to serve full-time, completing at least 35-45 hours weekly, in the spirit of a full-time AmeriCorps position. Service consists of three main components: Direct Service: the hands-on, benefit to community portion of a member's time. Direct service must comprise at least 70% of a member's time. Member Development: training, professional development, guided reflection or other supervisor-approved activities designed to improve a member's capacity for doing AmeriCorps service. Member development may not exceed 20% of a member's time. Fundraising: supporting a program or initiative by seeking and securing financial resource and in-kind donations. Fundraising may not exceed 10% of a member's time.

MTCC Leaders must serve at least 1,800 hours over the course of their term, though exceeding that total by 5-10% is typical. Full-time Leaders who begin service in September or October are eligible for up to 10 sick days and 10 vacation days, to be reported to the AmeriCorps Manager or Senior Leader as they are used. Leaders who begin mid-year or who sign on for a term of service that is less than 11 months will receive fewer sick and vacation days. If a member is ill, he or she must communicate with their site supervisor immediately and discuss the impact that being away from the office will have on their projects. Likewise vacation days must be approved by the site supervisor in advance, and service should always be prioritized over time off. Approved time off is contingent on whether the member's absence will negatively impact their projects, and whether the leader is on track to complete their service hours successfully. Approval will be determined on a case-by-case basis. Extended vacation leave (5 or more days) must be approved by the MTCC AmeriCorps Manager and Host Site Supervisor in advance. In the event that a host site is closed for an extended period of time, e.g. a holiday, the AmeriCorps member is not required to use vacation days. However, should a service site be closed for more than three business days the member is strongly encouraged to seek out an alternate site from which to serve, and may reach out to the Senior Leader or AmeriCorps Manager for assistance.

Suspension: Members may be temporarily suspended for disciplinary reasons for violating the Standards of Conduct as outlined in this Contract. Members suspended for disciplinary reasons will not receive a living allowance during their suspension period and the hours of suspension will not be credited toward the total service hours required for a post service education award.

Administrative Hold Status: "Administrative Hold Status" exists any time a Member is not serving at a Host Site yet remains enrolled in the Program. Administrative Hold Status may be for a maximum of 30 days. Hours will not be credited toward the total service hours required for a post-service education award. Medical benefits will be continued during a period of Administrative Hold, but the Member's living allowance and childcare benefits will be discontinued.

Holiday Leave: The Member is entitled to the same federal holidays as employees of the host site without affecting their living allowance. However, holiday hours do not count toward the service hours required for a post-service education award. Extra care should be taken to ensure that the Member is fully aware of Host Site's holidays prior to starting her/his term of service. School breaks, including winter, summer, and spring break, are not extended to the Member as breaks. The Member should have an adequate work plan in place to ensure s/he engages in meaningful service activities during school break periods.

Family Medical Leave: Up to 12 weeks, unpaid medical leave may be granted during the Member's term of service for the following reasons:

1. the birth of a child
2. the placement of a child with an AmeriCorps Member through adoption or foster care
3. serious illness of an AmeriCorps Member's spouse, child or parent
4. serious illness preventing the AmeriCorps Member from performing his or her essential service duties.
According to CNCS regulations, a serious health condition is an illness requiring inpatient care or continuing treatment by a health care provider.

During this period, medical benefits will continue, but the Member will not receive a living allowance or childcare benefits and hours will not be credited toward the total service hours required for a post-service education award.

Military Leave: Members serving in the National Guard or Reserve should be granted a leave of absence for a two-week period of active duty training. Members may not receive additional time off for training beyond the two-week active duty-training period. Members will continue to receive their living allowance, childcare, and medical benefits during this period and will receive credit toward the service hours required for a post-service education award.

Jury Duty: Serving on a jury is an important responsibility of citizenship. To strengthen the spirit of citizenship, Members are encouraged to serve on jury duty and will not be penalized for doing so. During the time Member serve as jurors, they will continue to earn service hours, and receive their living allowance, health, and childcare benefits. They may also keep reimbursements for incidental expenses received from the court.

P. Grievance Policy and Procedures

The Member understands that, as a participant of the Program s/he may file a grievance in accordance with the Program's grievance procedure. Federal regulations at 45 CFR § 1225 set forth the exclusive procedure for AmeriCorps participants to exhaust when they wish to file allegations of discrimination against CNCS, Host Site, Program Administering Agency, or Program Fiscal Agent, based on race, color, national origin, religion, age, sex, handicap, or political affiliation, that arise in connection with their recruitment, selection, placement, service, suspension, or termination from the AmeriCorps Program.

Any volunteer, service participant, client, employee or beneficiary who believes they have been subjected to discrimination in violation of nondiscrimination provisions of applicable laws, regulations or this policy may raise his or her concerns with the CNCS's Equal Opportunity Office. However, discrimination claims not brought to the attention of the CNCS Equal Opportunity Office within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. The Equal Opportunity Office may be reached at (202) 606-5000, extension 312 (voice), (202) 565-2799 (TDD), eo@cns.gov. The CNCS's Equal Opportunity Office attempts to resolve concerns about discrimination promptly and when possible use an informal conciliation process to do so. CNCS encourages, but does not require, volunteers, service participants, and other beneficiaries to first bring concerns about discrimination to the director or appropriate personnel of the Program or project. CNCS encourages directors of programs and projects to facilitate prompt resolution of these concerns. If the grievance alleges fraud or criminal activity, it must be brought to the attention of the Inspector General of the CNCS immediately <http://www.cncsig.gov>

The affected Member seeking personal relief in a matter of concern or dissatisfaction relating to any AmeriCorps program issues, such as assignments, evaluations, suspension, or release of cause, may follow the following grievance procedure:

Informal Grievance Process (Options 1-3)

Option 1: Resolution through Immediate Supervisor Within 7 days of the underlying dispute, the aggrieved Member refers the complaint to his/her immediate supervisor who will attempt to resolve the complaint. If the matter is resolved, and a written agreement is reached, the Member will agree to forego filing a formal grievance in the matter under consideration. If the grievance is not resolved, the Site Supervisor must inform the aggrieved Member of his or her right to file a formal grievance.

If Option 1 did not resolve the issue, then the Member can consider Options 2, 3, or file a formal grievance (Options 4 or 5)

Option 2: Written Grievance to Grant Manager Within 14 days of the underlying dispute, the aggrieved Member submits a written grievance that outlines the details of the complaint to the Grant Manager of the administering agency. The Grant Manager will attempt to resolve the complaint through informal mediation or facilitation. If the matter is resolved, and a written agreement is reached, the Member will agree to forego filing a formal grievance in the matter under consideration. If the grievance is not resolved, the Grant Manager must inform the aggrieved Member of his or her right to file a formal grievance.

If Option 2 did not resolve the issue, then the Member can consider Options 3, or file a formal grievance (Options 4 or 5).

Option 3: Alternative Dispute Resolution (ADR) The aggrieved Member may seek resolution of a grievance through alternative means of dispute resolution (ADR) such as mediation or facilitation. ADR proceedings must be initiated within 45 calendar days of the date of the alleged occurrence. The Member submits a written request to have a neutral party designated by the Program Administering Agency attempt to facilitate a mutually agreeable resolution to the program director at the Program Administering Agency. At the initial session of the ADR proceedings, the Member must be advised in writing of the right to file a grievance and right to arbitration.

The neutral party who, with respect to the issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed-upon ADR, the proceeding must be confidential. Any decision by the neutral party is advisory and is not binding unless both parties agree. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a formal grievance in the matter under consideration. If the grievance is not resolved within 30 calendar days of initiation, the neutral party again must inform the aggrieved party of his or her right to file a formal grievance.

If Option 3 did not resolve the issue, then Member can file a Formal Grievance (Options 4 or 5).

Formal Grievance Process (Options 4-5)

Option 4: Grievance Hearing Within one year after the date of the underlying dispute, the aggrieved Member may submit a written request for a Grievance Hearing to the executive director of the Program administering agency. The executive director (or a neutral designee) will conduct the grievance hearing. The person conducting the hearing may not have participated in any previous decisions concerning the issue in dispute. A hearing must be held no later than 30 calendar days after the grievance-hearing request was submitted. A written decision must be made no later than 60 calendar days after filing.

Option 5: Binding Arbitration If there is an adverse decision against the party who filed the grievance, or no decision has been reached within 60 calendar days after the filing of a grievance (Step 4), the aggrieved party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and who is independent of the interested parties. If the parties cannot agree on an arbitrator, within 15 calendar days after receiving a request from one of the parties, the CNCS Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the CNCS Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment. A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins. The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

Site supervisors should not extend any “anti-nepotism policy” to the point where it unlawfully results in discrimination or preferential treatment.
