Thanks, Great Falls College MSU and University of Providence!

Campus Compact gathered its AmeriCorps and VISTA members in Great Falls last week, and we were graciously hosted by Great Falls College MSU. The event was our Building Engaged Citizens training, and AmeriCorps and VISTA members participated in training led by University of Providence faculty and MTCC Staff. VISTAs spent time on the community building life cycle, grant writing and sustainability; and AmeriCorps members focused on college access and success, and community leadership.

Democracy Counts 2019 College Student Voting Report Published

The National Study on Learning, Voting and Engagement (or "n-solve") was just published here.

NSLVE consists of a database of more than 10 million identified student records that have been combined with publicly available voting records for each of the 2012, 2014, 2016, and 2018 elections. Among other findings, the report found that in the 2018 U.S. midterm elections, college students turned out to vote at double the rate from the last midterm. Across all NSLVE campuses, the average institutional rate in 2018 was 39.1% (up nearly 20 percentage points from 19.7% in 2014).

Additionally, episode 3 of this season's Compact Nation podcast features an interview with Nancy Thomas (from NSLVE and Tisch College of Civic Life) about the new report's key findings.
