The purpose of this agreement is to delineate the terms, conditions, and responsibilities regarding the participation of the Host Site in the Montana Campus Compact Summer Programming.

### **I. Missions**

**The Montana Campus Compact (MTCC)** is a consortium that advances the public purposes of colleges and universities by deepening their ability to improve community life and to educate students for civic and social responsibility. MTCC is committed to finding high quality service opportunities for college students, including service-learning, volunteerism, and civic engagement.

**AmeriCorps VISTA:** AmeriCorps is a program of AmeriCorps, an independent federal agency whose mission is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. AmeriCorps VISTA provides full-time members to community organizations and public agencies to create and expand programs that build capacity and ultimately bring low-income individuals and communities out of poverty.

**VISTA Summer Associate Program:** The VISTA Summer Associate program is a short-term service opportunity. This program enhances new and existing VISTA projects by providing individuals that will participate for 10 weeks, often alongside year-long VISTAs, in an intensive level of summer service. During service, Summer Associates are available to the community on a full-time basis, which is described by Congress as “24 hours a day, 7 days a week.” This means that a Summer Associate

VISTA member should be available as necessary by the host site, for the project. Typical work days and weeks should mirror expectations of paid staff, but occasionally there is weekend and night work required for VISTA Summer Associates.

## **II. Duration**

This Memorandum of Understanding (MOU) will go into effect June 1 - August 31, 2021.

## **III. Responsibilities**

### **Project Sponsor**

*As the Project Sponsor, The Montana Campus Compact (MTCC), represented statewide by its network office and locally by the campus or community partner, is responsible for the following:*

- Supporting, through direction of the local project, the missions of AmeriCorps VISTA and the Montana Campus Compact;

#### **IV. Prohibited Activities**

*The Host Site and the AmeriCorps member understand that under no circumstances may the Summer Associate participate in the following activities.*

- Direct or indirect attempts to influence passage or defeat of legislation or proposals by initiative petition;
- Labor or anti-labor organization or related activities;

- Any project or activity where the involvement of the AmeriCorps member will result in the displacement of employed workers or impair existing contracts for service;
- Assisting in planning, initiating, participating in, or otherwise aiding in any demonstration whatsoever;
- Enrolling in college courses\* (\*unless through a single service-appropriate course agreed to by both the site supervisor and project director); nor

Further information about prohibited activities is online at [www.vistacampus.org](http://www.vistacampus.org) by searching for keywords “prohibited activities.”

#### **V. Term of Service for Summer Associates**

Service Orientation will be sometime during the first week of June. The service term spans ten weeks from the first week of June through mid-August, 2021. Formal start dates will be released sometime during spring 2021. Due to the short-term nature of this opportunity, there is no paid annual or sick leave. Once selected and enrolled, the Summer Associate cannot be replaced for any reason, including if the member is released for cause or resigns for personal reasons. As such, it is incumbent on grantees to ensure they are invested in recruiting qualified individuals; as well as training and providing high quality ongoing support for the Summer Associate placed with their organization.

#### **VI. Work Plan/Assignment Description**

Montana Campus Compact has a work plan that has been approved by the federal sponsor. Each Host Site is expected to further develop the work plan to reflect the specific tasks and activities that will result in the stated goals and objectives of the overall project statewide. MTCC project staff will periodically review the work plan to ensure that each Summer Associate is progressing toward the overall objectives. Host Sites should not propose or assign service activities outside of the scope of the overall work plan.

**VII. Accessibility and Reasonable Accommodation**

The host site station will maintain programs and activities to which Summer Associates are assigned accessible to persons with disabilities and provide reasonable accommodation to allow persons with disabilities to participate in programs and activities.

**VIII. Program Year Calendar**

The program year calendar reflects the trainings and events for both site supervisors and AmeriCorps members. Site Supervisors are required to attend a Host Site Preparation Webinar in mid May 2021, date and time to-be-determined. Summer Associates are required to attend and participate in all trainings and events.
