The AmeriCorps program is a direct service program supporting student success and college attainment of first generation and low income K-12 youth as well as college success and retention efforts through near-peer mentoring and more. Members engage youth in academic mentoring, STEAM education, and college attainment activities.

Education Award Matching Program: 12 Montana colleges may match up to \$1,000 annually of the Education Award (Restrictions may apply).

Inspire 1st generation and low-income youth to be successful and build a pathway to college success!
